creates a one of a kind  
keepsake treasure**

## One-Piece Putters

The exquisite Olde Master putter is modeled after the hand-crafted club of a gruff gentleman who caddied at the Old Royal and Ancient Course, in Scotland. Olde Master's beautiful, practical clubs are sculpted from exotic hardwoods found around the world into four distinct styles: the Wingback, the Mallet, the Offset, and the Olde Scotsman.

### Wingback

Your beautiful putter will be crafted from a single piece of exotic, hardwood of your choosing. It has no seams, glue joints or laminated pieces. Each club is carefully hand sculpted and sanded smooth. The head then is weighted and balanced for the ultimate in feel and accuracy. Finally, the club is sealed with six coats of polyurethane.

The Olde Master is a memorable treasure to present for a variety of occasions. This putter combines natural beauty with incomparable performance. There are few artifacts that are as elegant, yet practical, for customer appreciation, holiday gift-giving, sales awards and merit recognition. Your putter can be customized with laser engraving of a name or a logo to create a unique keepsake.

### The Original One-Piece Hardwood Putter

*Each Olde Master Original One-Piece Putter comes with a full length protective cover, certificate of authenticity and instructions on club care.*

*Putter grip designs on Page 6.*

### Mallet

The tear-drop Mallet provides all the advantages of our other one-piece, solid wood putters, plus the extra wide head which gives you excellent weight distribution and increased forgiveness on off-center shots.

### Offset

The Offset putter is a distinctive precision instrument. The **double-bent** hosel makes it easy for you to line up that sweet spot for a solid shot. The thermo-set polymer face insert results in a soft and sensitive touch.

### Olde Scotsman

The one-piece Olde Scotsman is modeled after putters that date back to the origins of golf in Scotland. This beautiful replica of an olden day club has a dramatic 62" lie. It is weighted and balanced and features a thermo-set face insert for that soft touch.

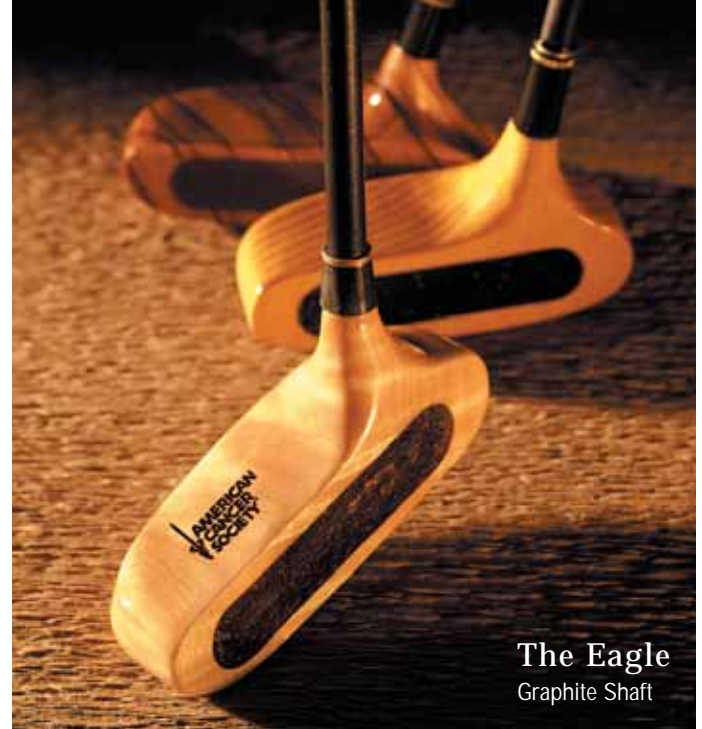

## in1 Putters

The Olde Master **in1** pays homage to the early clubs of the master craftsmen. Only the finest, exotic hardwoods are used in the crafting of an **in1**.

Woods from various continents are available. The distinct grain and color of the putter created especially for you ensures that your club will be both exquisite and unique.

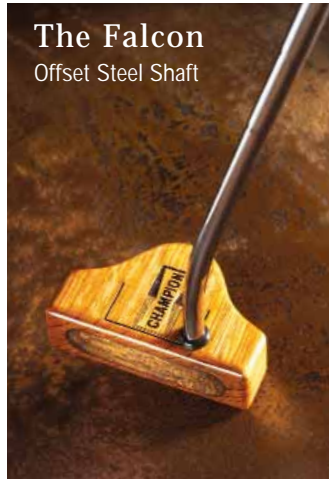

Each head is handcrafted from a single block of rare wood, then weighted and balanced with a thermo-set polymer face insert which produces a soft and accurate stroke. The hardwood head is joined to a graphite or offset steel shaft topped with a premium leather grip, to create a putter of exceptional performance that will be a treasured work of art. Hand finishing provides a luster to the exotic wood. Today's metal putters can not match the sensitivity that exquisite wood gives your Olde Master Original.

**The Eagle**  
Graphite Shaft

**The Hawkeye**  
Offset Steel Shaft

**The Falcon**  
Offset Steel Shaft

The **in1** is incomparable as a gift to reward, remember or commemorate. Your **in1** putter head can be customized with laser engraving of a name or a logo to create a unique keepsake. There are few artifacts that are as elegant, yet practical, for customer appreciation, holiday gift giving, sales awards and merit recognition.

*Each Olde Master Original **in1** putter comes with a protective head cover, certificate of authenticity and instructions on club care.*

## Putter Stand

Never before has an indoor putting challenge been presented in such a fine piece of furniture.

This classic-looking unit will complement your office, den or living room decor. Hand-crafted of solid mahogany with a walnut finish, or white oak, the Olde Master stand accommodates up to four putters and balls. And the electric ball return kicks your match-winning putt back every time.

## Custom Bat

Handcrafted of solid Ash, Maple or Cherry, the Olde Master bat can be personalized with the laser engraving of a logo at the center of the bat and two lines of text on the barrel end of the bat. This handsome, regulation-

sized bat is 33" long and weighs approximately 31 ounces. A 16" and 18" Maple mini bat is available. A sturdy wood bracket is provided for displaying your full-sized bat.

## Unique Gifts

### Walking Sticks

Olde Master offers customized walking sticks of exceptional beauty and durability. This distinctive equipment is the ultimate blend of style and practicality. Create a valuable keepsake by joining a personalized laser engraving on your choice of exotic hardwood with a solid brass handle.

The brass handle designs available for walking sticks are the Golf Club, Ball, Eagle, T-Handle and Duck. A matching wood ball is also available.

The shaft engraving designs available for walking sticks are the Diamond, Casino, Leaf, Chevron and Pebble.

### Hiking Sticks

Show your class on the trail with a unique, handsome hiking staff from Olde Master Originals. Light in weight and extremely durable, this hand-finished staff provides the hiker with a customized instrument for providing balance, support and protection. The 58" hardwood staff comes with a brass tip and non-skid rubber toe. A leather lanyard is available at additional cost. The staff grip is engraved in the Leaf design only.

If you're part of the growing tradition of collecting medallions, the Olde Master staff is ideal for showcasing your collection of medallions as distinct mementos of travel and hiking adventures.

### Bottle Stopper

Distinctive handturned bottle stoppers with Grade A natural cork, silicon or premium chrome/silicon seals. These can be laser engraved on the sides or top of the wood top.

### Burl Maple Box

There are few items more essential than a simple, solid wooden box to hold one's valued possessions. This exquisite box is crafted of exotic burl maple and outfitted with gold-plated, solid brass hinges. Each box shows off the unique grain and coloring with a distinctive, high luster finish. Box dimensions are 9 1/2" wide x 6 1/4" deep x 2 1/2" high.

The hand-fitted cedar lining ensures a tight seal, making this the perfect box for cradling your cigars, jewelry, love letters or up to four sleeves of golf balls. A ring holder is included. A hygrometer and moisture stone or DryMistat® humidifier are available at additional cost.

### Pen & Pencil Set

This beautiful rosewood box cradles a rosewood ballpoint pen and pencil. Precise engraving is available on the top of the box and the writing instruments. Dimensions of the box are 6 3/4" x 2 1/4".

### Bag Tag

These durable wood bag tags can be laser engraved to your specifications. The tag measures 2 1/2" x 3 1/2" and is offered in a variety of lighter woods.

### Picture Frame

Elegant exotic hardwood picture frame can be engraved either vertically or horizontally depending on how your "Kodak" moments are captured. This unique frame has an inside dimension of 4" x 6" and outside dimension of 6 1/2" x 8 1/2".

### Backscratcher & Shoehorn

These sturdy, handmade backscratchers and shoehorns are crafted from one of our available exotic hardwoods. It is topped with a solid brass claw or shoehorn. The length of the backscratcher is 26" and is perfect for getting to all those hard to reach spots. The 28" shoehorn eases on shoes with very little effort. A leather lanyard is available at additional cost.

# Custom Laser Engraving

## Custom Engraving

Olde Master Originals uses leading edge laser engraving technology to create a distinctive and beautiful look to its putters, sticks, staffs and bats. An engraved black face plate is available for all putter models.

## One-Piece Putter

We can engrave your name, up to 20 characters, and your logo or artwork on the shaft, with your choice of a grip design shown below. Refer to this illustration when engraving on shaft of walking sticks, hiking staffs, backscratchers and shoehorns.

Diamond Casino Leaf Chevron Pebble

## Grip Designs

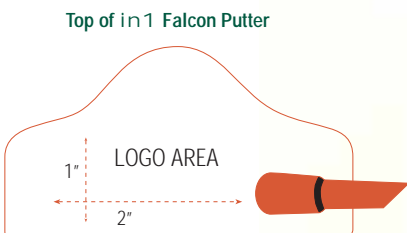

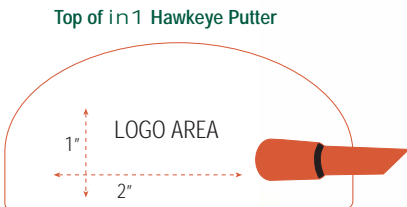

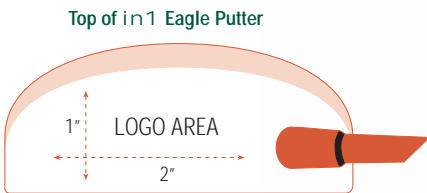

### Putter Specifications

*Olde Master Original putters meet all United States Golf Association rules and regulations.*

## in1 Putter

If you are ordering an in1 putter, these illustrations of the heads give you an idea of the approximate size your artwork will be reproduced.

*Engraved Black Face Plate*

## Examples of Engraving

## Solid Hardwood Bat

It's easy to create a special gift for any occasion, with an engraved team logo or mascot, players' roster and statistics or a commemorative inscription. The big bat can be engraved in the 4 1/2" x 2" center area with two lines of text at the end. The mini bat has a 2" x 1 1/4" center area for engraving with 2 lines of text at the end.

## Burl Maple Box

We can laser engrave your name, up to 20 characters, or a logo on any box. Box dimensions are 9 1/2" wide, 6 1/4" deep and 2 1/2" high.

## Pen & Pencil Set

Custom engraving adds the personal touch to an Olde Master Rosewood Pen & Pencil Set. The available engraving area on a box is 1" x 4" and 1" x 3/8" on a pen or pencil. A name or simple logo works best on the writing instruments.

## Artwork

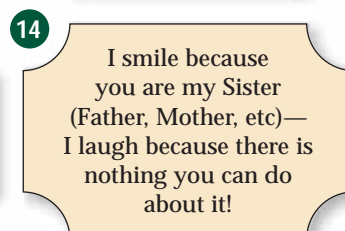

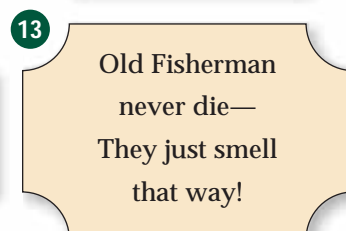

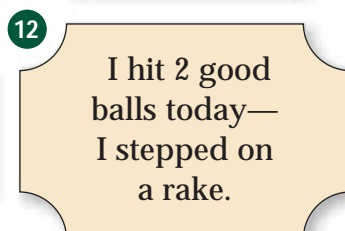

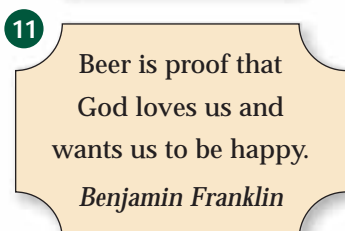

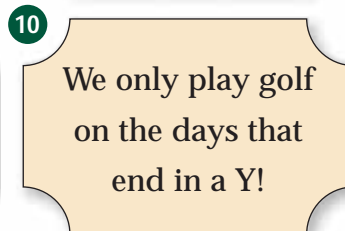

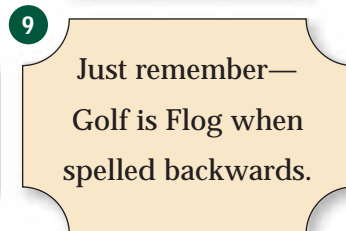

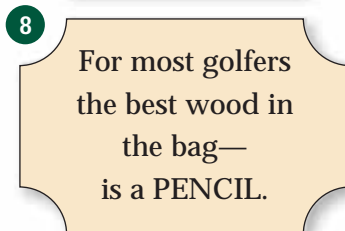

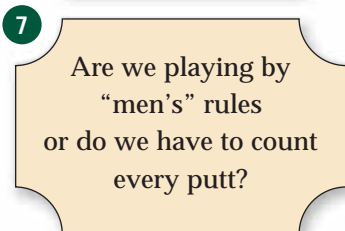

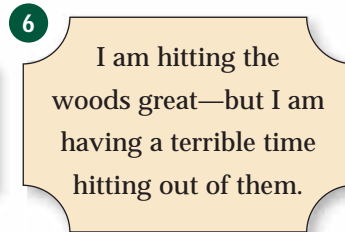

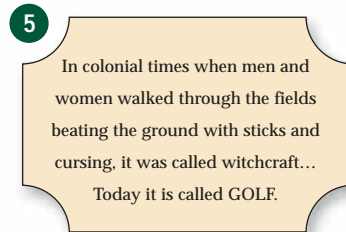

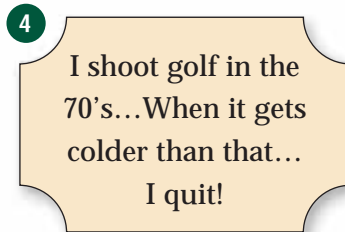

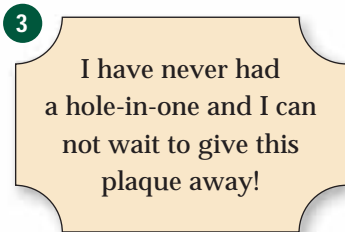

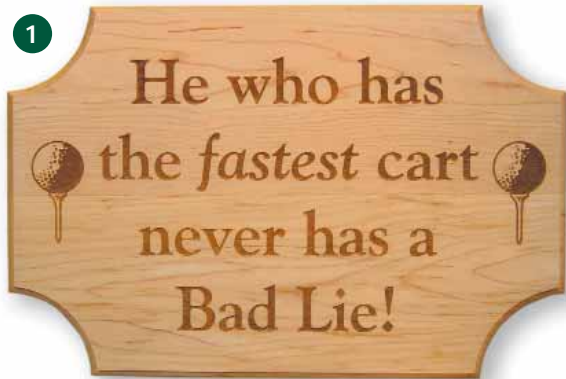

We prefer CorelDraw or Adobe Illustrator application files for PC, not MAC. We accept quality camera-ready art for engraving a logo or other art, but prefer to work with digital files, either e-mailed or sent on PC floppy, PC Zip disk or PC-formatted CD. We will try working with high resolution JPG files or any type files, except web files. All files linked to the art must be on the disk. Camera-ready

art must be black and white reflective line art, without halftone screens or color printing. Original 1200 DPI laser print, at 200% of actual size, on high quality paper is needed. The bigger and better the artwork, the sharper the laser engraving. We cannot make a silk purse out of a sow's ear!

# Plaques

## Sayings Plaques

Plaques are crafted from red alder and measure 8" x 10". We will select the font best suited for the inscription. Two holes in back for hanging.

## Golf Club Plaque

Display your Olde Master putter or walking stick with an exquisite maple plaque. Laser engrave your 10" x 15" plaque with custom copy and artwork to commemorate a special person or occasion.

The price includes two rows of text above the club (Area A), two to four rows of text below the club (Area B) and the same logo as engraved on your club, if desired. We will select the font best suited for the inscription. In general, the fewer the words the larger the engraving, making it easier to read when mounted.

## Old World Craftsmanship

Your club will be fashioned from the exotic hardwood of your choosing.

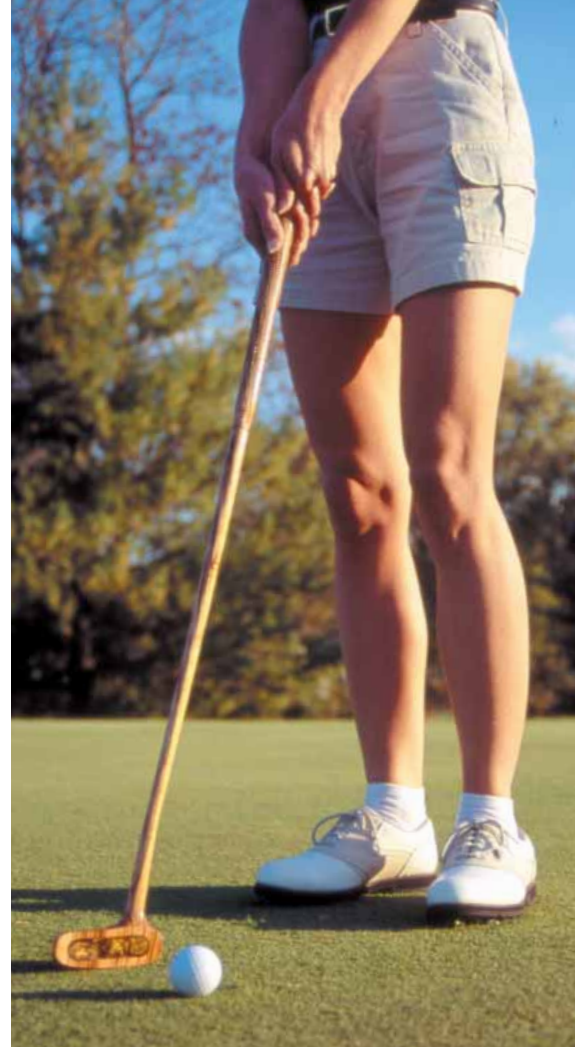

A hand-held belt sander is used on an Offset putter, steadied on a lathe.

A block of rosewood is cut on a bandsaw to rough in its final shape.

A Mallet putter is carefully formed on a belt sander.

An Olde Master Original Putter is right at home on the green. Your putter will combine natural beauty with incomparable performance, making you the envy of the clubhouse.

Six coats of polyurethane are carefully applied to finish your club.

A rosewood putter gets hand sanded into its final shape.

## From Around the World

Only the finest, exotic hardwoods are used in the crafting of an Olde Master Original. Woods from various continents are available. The distinct grain and color of the Olde Master Original putter created especially for you ensures that your club will be both exquisite and unique. We are constantly searching the world for rare and beautiful

woods that are not listed here. Please call for other woods we have in stock or let us know your favorite wood and our brokers will find it. We can even make a putter out of your granddad's barn wood, if you would like. The possibilities are endless.
